at Little Leeds we  
LOVE to party and we  
can't wait to  
celebrate your special  
occasions with you!

# WHAT DO WE CHARGE & WHAT'S INCLUDED IN THE PACKAGES?

Our ideal number of playing children is around 10, which helps keep the atmosphere safe, fun, and relaxed for everyone.

Pre-walkers and babies are absolutely welcome and don't count toward this number.

All of our party packages include 10 adults and 10 children as standard, but you're more than welcome to invite extra adults! Our space comfortably fits up to 20 seated guests, or up to 30 if you're planning a more casual, mingling-style celebration. We set up a separate table for the children to dine in our Little Room, so there's plenty of room for everyone to enjoy. The party host is welcome to arrive up to 15 minutes early to set up or add any extra touches like decorations or catering, and can also stay 15 minutes after the party to pack up. Just a quick note—this extra time is reserved for the host only, as our team will also be using this time to prepare the space. For that reason, it's not suitable for guests to arrive during this window, so we kindly ask that all guests arrive and leave at the scheduled party start time.
